

TAGORE HIGHER SECONDARY SCHOOL (CBSE) TINDIVANAM

46TH ANNUAL REPORT

2019-2020

Our School Management:

Our School was founded by Chevalier Sir Prof. K.C.Rajabather in 1974 May 26th and it was the 1st school in Our district, got affiliated to the CBSE School.

He established 1st CBSE School in the South Arcot district, 1st Matriculation School, 1st Private Self financed ITI, 1st Arts and Science college for women, 1st women's college for teacher training in Tindivanam.

He has also introduced Correspondence Course Para Medical, Courses in Catering Hotel Management with the approval of many Universities and now introduced Paramedical Degree and Post Graduate Degree Courses through Himalayan University.

Our Managing Director Mr.K.C.R.Devandranath Tagore is now working for the all-round development of our institution .His guidance and supervision help us to improve the quality in education. We thank him for his guidance.

The background of Tagore School is managed by Highly Qualified Educationist with 50 years of educational experience. Tagore is pioneer educational institution. Tagore gives primary school education to university education following 1:20 teacher's pupil's ratio. Tagore produces Doctors, Engineers, Scientist ,Business Magnets, political leaders lawyers and produces all rounder's .This is the only school gives personal attention on students & teachers.

This year we did lot of changes in our school development.

School Building Development:

Our Management Constructed 2nd floor and Vinayagar temple and inaugurated on September. Second floor building was also opened. That is very useful to setup our smart classroom, Maths lab, Library and Computer lab. Our school toilet was also remodified conveniently for boys & girls. Rain water harvesting was also constructed for collecting rain water in the underground.

Resource Teachers and Result in Public Exam:

We have deputed subject experts for X std and taking special efforts for 100% result continuously.

We are more thankful to Mr.Vijaya Ragavan and Mr.G.Veera Ragavan who are the most senior teachers of the town are handling classes for X std in the morning and evening hours in addition to regular class and night classes are also conducted.

Teachers Training Program:

Our Management is giving training for all teachers such as orientation Preservice ,in-service ,syllabus based every month ,spoken English training and also to handle smart class training.

CBSE Board Inspection:

This year Mrs.Gowri Lakshmi from Chinmaya Vidhyalaya CBSE-Chennai inspected our school on 17.2.2020.She checked all infrastructure, lab facilities. Student's skill and teachers teaching skill, play activities office files and records, admission register and also observe prayer activity. she gave good report about our school to the CBSE Board.

Colours day celebration:

This year we conducted colours day for primary classes. Two classes combined and celebrated each colour.This made our kids to identified different colours and things and also they understood about the primary and secondary colours.

Hubs of learning :

This year CBSE Board has arranged the schools in group under the name of “Hubs of learning” under the guidance of AKT Memorial School.Kallakuruchi, six schools were collaborated and conducted Principal’s meeting and discussed about the monthly activities of CBSE Board syllabus.

AKT Memorial ,Sacred Heart Central Villupuram,K.G Vidhyashram-Villupuram.VET Vidhya Mandhir-Kanai,Sri Vidhya Mandir-Thirukovillur and also our school were tied up with each other.

Each School conducted competition in different programmes under the “HUBS of learning”.

Chess competition by Sacred Heart.

Mime by AKT Memorial.

Quiz Competition by KG Vidhyashram.

Our students participated in all these competition and won medals and certificates.

BYJU’S Competition:

BYJU’S Contest was conducted in our school from IV to IX std .In this competition all the students received the certificate especially 4 students won the prizes. Among 2 students were selected to the next level and attended the contest in villupuram.

Fit India Movement:

As per Prime Minister’s instruction our school conducted one week programme with different activities including rally. Our School received certificate from the CBSE Board.

Cancer Aid Society:

Our students contributed some amount for cancer Aid society award for social service. So Cancer society distributed certificates, medals and shields for our school and students.

Art and Cultural Programme:

Our students participated cultural competition in Vaanipillayar kovil on Vinayagar chaturthi day and won certificate and prizes.

Sports and games Activities:

- As per Boards instructions we give more importance to sports activities*
- We deputed our PET Master Mr.Arumugam to give training on Volleyball, Throwball, Kabaddi, Kho-kho, Drill and March fast*
- Every Saturday .We are taking all our students to play in our Tagore Ground at Karunavur pettai*
- Every Saturday our school conducted “No Bag day”(i.e).A play day*
- All National festivals ,National leaders birthday ,Religious festivals are celebrated with competitions like Drawing ,Painting ,Essay writing ,speech, Fancy dress for Kids and distributed the prizes for the winners.*
- Word building competition, Tables contest, Thirukkural recitation are also conducted*
- Memorial days are also observed and explained well to the students about those leaders.*
- All subjects like English, Tamil, Maths and social clubs are inaugurated and students were participated in lot of activities, many subject related activities, Quiz Cultural Programmes were conducted in this club.*

PRAYER ACTIVITIES:

We are conducting separate prayer for higher (IV to X) and Primary (KG to III)to give chance to the primary children to do their activities.

So that the primary children are able to do exercise ,Story Telling ,Tables & Thirukkural recitation and rhymes (Hindi ,English, Tamil) on the stage .their activities are updated in their padlets and parents watched them and there and give their comments.

Other than the Academic activities:

Every year scout activities are conducted our students attended scout training programme.10 students are selected for state award for this year 2019-2020

For juniors KG this year we conducted Bunny scheme for our kids.

Library:

This year we created a separate library room in second floor .Our library is functioning well.There lot of books ,related to the subject and many foreign books are available in our library.

For upcoming years we are planning to make our library Digitalize

Computer lab:

We have established a separate computer lab for our students

Students are eagerly learn lot of activities through computer

Science lab:

This year we have a science lab with vast area .Our lab have lot of science equipments models, and also have lot of things to do practicals

Our students also had done lot of science practices in the lab. For IX & Xth students weekly twice they did science practicals.

Due to this, students are well trained in practical skills

Maths lab:

This year we have a separate Maths lab room

Students did lot of activities in the lab

Yoga :

We have celebrated international Yoga day and started yoga in our school .students are trained in yoga for weekly two periods. Miss.Rajalakshmi who was a master in yoga gave practice to our children.

For next academic year , Our school will conduct contest in Yoga programme through “Hubs of learning”

Parents meeting:

We have conducted parents meeting every month for VI to X std students. For other classes we have conducted parents meeting twice in a term and motivated them to concentrated on their wards education.

More number of parents participated in the PTM.

Chairman visit:

“No child is left behind” is the motto of our school. Our chairman visits often and checked the students learning skills personally and guided the teachers to conduct coaching class for the slow learners during evening hours to improve the reading and writing skills.

Now all students are improved.

Mrs. N.Lalitha
Principal
